Subject: Another Meadowbrook case from ND

Hi Matt,

I recently received a draft synthetic minor NSR permit from ND where part of a previously PSD facility (Minn-Dak – sugar beet processing plant) has been bought by a separate company (Dakota Yeast – dry yeast manufacturing). Dakota Yeast is applying for a syn minor, saying the facility is no longer under common control under Meadowbrook.

Public comment on this permit action is Nov 8 – Dec 8.

Thanks for your time,
